MEET YOUR LEADERSHIP ADVANTAGE TEAM

DR. NATALIE SHEPARD

Is a Human Performance & Communication Specialist.

Her passion is understanding how and what makes people tick. She has mastered the process of deconstructing human behavior and what people are doing inside their minds to achieve exceptional results.

Natalie is well known and respected by her peers for her natural ability of taking something that is seemingly complex and making it easy for everyone to understand and implement.

Natalie has a background in business and the health sciences. She is a pioneer in the field of Neuro Linguistic Programming (NLP), which is a field dedicated to understanding human performance and behaviour.

Throughout her expansive career, Natalie has worked with individuals, leadership teams & organizations, she is an author, has published articles, founded businesses and professional organizations, keynoted and lectured at international conferences.

Having delivered workshops and NLP based trainings to over 20,000 people, her vast experience, innate flexibility, and easy going manner has earned her a reputation as a true master in her field of expertise.

When you meet Natalie, you will find that she loves and is inspired by people. Be warned, she has a wicked sense of humour and sense of fun, doesn't take herself too seriously and believes that everyone has genius and greater potential within them and the power to have the life that they want.
